QUOTES FROM LSU COACH ARNSPARGER:

"We got started slow. There were two fumbles early on great efforts, twisting and turning, but we lost the ball. We began to get things better as we went along."

"We got things going in the third quarter. They played with more purpose. We got a chance to play some people we needed to play, some young guys got some work. They will get better each week as they get to play."

"We would like to start a streak, but you have to win first, and now we are in three non-conference games."

"The kickoff people liked to make things happen. They ran down the field with great effort."

"We worked to get better in certain areas. They hit us where we were prepared for them, but we didn't always hit, but we played with great effort and we learned a lot."

QUOTES FROM WICHITA STATE COACH CRISMAR:

"I think we came out and played pretty emotional football early. I thought our defense played pretty well. Offensively, we missed a field goal in the first quarter which hurt us and then we weren't able to move the ball and that put our defense in trouble."

"It was a pretty good football game, but you can't drop the ball (on fumbles) and expect to win. Either it was a hard-fought game, or a sloppy game, depending on how you look at it."

"You find yourself groping for things to do (against LSU) because your players can't handle them (LSU's personnel). After a certain length of time, your defense wears down."

"I don't think our kids were in awe of LSU or the stadium. They wanted to play here. We were in trouble because of our execution, not because of playing in front of 75,000 people."
